

### Working on the move – mobilise your laptop

Who says you can't work on the train, at a customer meeting or even at your local coffee shop? With KC your business can now have the flexibility to work from anywhere.

Data solutions from KC enable you to take the office with you, so you can access your emails, surf the internet or even access your customer information whilst you are on the road.

#### What are the key benefits?

- Don't be out of the loop – access business email and the internet from your laptop, respond to customers, colleagues and suppliers anytime
- Be responsive – get the latest information sent straight to you whilst you are with your customer
- Make your business work more efficiently – increase productivity when you're away from the office
- Stay in touch whilst overseas with our cheapest ever roaming rates
- Mobile Data Cards from KC now come in 3 varieties; USB, PCMCIA or Express Card slot

Mobile broadband can be accessed through your handset or laptop. Subscription to a KC Data tariff is needed and with our range of data tariffs there will always be one to suit your business needs.

#### Mobile Broadband - monthly subscriptions
